

AMENDMENTS TO THE DRAWINGS

The attached sheets of drawings include changes to FIGs. 1-11. In particular, the sheets, which include FIGs. 1-11 replace the original sheets that included informal drawings for FIGs. 1-11. Additionally, the stamps on FIGs. 2-4 and 8 have been removed, and the handwritten changes on FIGs. 4 and 6 have been incorporated into the formal drawings as well.

REMARKS

In the Notice mailed on March 14, 2008 by the United States Patent and Trademark Office, the Examiner indicates that the drawings are defective. More particularly, the Notice states that FIGs. 2-4 and 8 include a stamp, and FIGs. 4 and 6 have handwritten changes. In response, the Applicants have submitted replacement sheets that include FIGs. 1-11. Each of the figures has been replaced with a formal drawing, and the changes requested by the Examiner have been incorporated therein.

Based on the above, Applicants submit that the present application is in condition for allowance. Favorable reconsideration and withdrawal of the objections and rejections set forth in the above-noted Office Action is requested.

If the Examiner has any comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.
